Purpose

The purpose of this Report is to inform the Legislative Assembly of our Office's views on the financial statements of Crown agencies audited by appointed auditors for years ending in the 2010 calendar year. This Report does not include our views on the financial statements of Crown Investments Corporation of Saskatchewan (CIC) and its related entities. We provide our views on those entities in a separate report.

Background

The Assembly allows the Government to appoint auditors to examine and report on certain Crown agencies. The Provincial Auditor, however, retains overall responsibility for the audits of all Crown agencies.

In June 1994, the *Report of the Task Force on Roles, Responsibilities and Duties of Auditors*[1] recommended how the audit system for CIC and its subsidiary Crown corporations could function more efficiently and effectively. In April 1995, Treasury Board decided that all Crown corporations and agencies should comply with the Task Force's recommendations. Our Office, Crown agencies, and appointed auditors use the Task Force's recommendations to better serve the Assembly's needs. The Task Force recommended that we give the Assembly a report listing the agencies in whose audits we participated.

The objectives of each audit are to form the following opinions and to report the results to the Assembly.

- An opinion on the rules and procedures used by the agency to safeguard public resources.
- An opinion on the agency's compliance with the authorities governing its activities related to financial reporting, safeguarding public resources, revenue raising, spending, borrowing, and investing.
- An opinion on the reliability of the agency's financial statements.

[1] For a copy of this report, see our website at www.auditor.sk.ca/rrd.html.

In our 2010 Report – Volume 2, we reported the results of the audits that were completed by October 31, 2010. We will report the results of the remaining audits in 2011. The appointed auditors' reports on the reliability of each Crown agency's financial statements are attached to the respective financial statements.

The Government's summary financial statements include the financial results of all Crown agencies controlled by the Government. *Public Accounts 2009-10 – Volume 1* includes my auditor's report on the Government's summary financial statements for the year ended March 31, 2010.

Results

We participated in all audits of Crown agencies, except as noted below.

- We rotate our audits of the seven regional colleges, i.e., we do not audit every regional college each year. We participate in the audits of three regional colleges each year.
- For some small school divisions we limit our participation to receipt and review of audit reports.
- We did not participate in the audit of the Conseil des Ecoles Fransaskoises School Division No. 310 for 2010. We plan to participate in 2011 and in following years.

The following table includes all Crown agencies whose accounts are audited by appointed auditors. It lists the appointed auditor's name, the agency's year-end date, whether we participated in the audit, and whether the agency's financial statements are reliable.
